REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholders' and Board of Directors of BD4RIA, Inc.

Opinion on the Financial Statements

I have audited the accompanying statement of financial condition of BD4RIA, Inc. as of September 30, 2020, the related statements of income, changes in shareholders' equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of BD4RIA, Inc. as of September 30, 2020, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

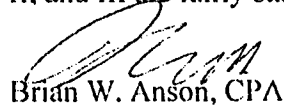

Basis for Opinion

These financial statements are the responsibility of BD4RIA, Inc.'s management. My responsibility is to express an opinion on BD4RIA, Inc.'s financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to BD4RIA, Inc. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

Auditor's Report on Supplemental Information

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the BD4RIA, Inc.'s financial statements. The Supplemental Information is the responsibility of the BD4RIA, Inc.'s management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

Brian W. Anson, CPA

Note 1: GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

BD4RIA, Inc. (the “Company or BD4RIA”) was formed September 2017 in the state of Texas. BD4RIA is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). BD4RIA is a broker dealer that currently serves one advisory client, Cerity Partners LLC, a registered investment advisory firm registered with the SEC. BD4RIA primarily engages in Reg. D offerings, Variable Annuities, direct to fund Mutual Funds and 529 Plans, and facilitates Primary and Secondary offerings.

Basis of Accounting and Revenue Recognition

The company used the accrual basis of accounting for financial statement purposes. It is subject to regulation by SEC and FINRA.

Commissions receivable are stated at face amount with no allowance for doubtful accounts. An allowance for doubtful accounts is not considered necessary because probable uncollectible accounts are immaterial.

For sale of securities, other than mutual funds, the Company recognizes concession and commission income as of the trade date. Commission income on sales of mutual funds are recognized as earned as of the settlement date or are recognized as earned on a prorated basis over the period to which the income relates, if that is longer than one month.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates, but management does not believe such differences will materially affect the Company’s financial position, results of operations, or cash flows.

Fair Value Measurement

The Company adopted ASC Topic 820, requiring a fair value measurement of certain financial instruments on a recurring basis. The adoption of ASC Topic 820 did not impact the Company’s financial condition or results of operations. ASC Topic 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability.

ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described below:

Level 1 – Valuations based on quoted prices in active markets for identical assets or liabilities that an entity has the ability to access.

Level 2 – Valuations based on quoted prices for similar assets and liabilities in active markets, quoted prices for identical assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities.

Level 3 – Valuations based on inputs that are supportable by little or no market activity and that are significant to the fair value of the asset or liability.

The Company had no financial instruments to measure for fair value as of September 30, 2020.

GENERAL AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Concentrations of Credit Risk

The Company is engaged in various brokerage activities in which counter parties primarily include other financial institutions. In the event counter parties do not fulfil their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counter party or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty. 100% of the Company's revenues were generated in the State of Texas.

The Company is subject to audit by the taxing agencies for fiscal year ending September 30, 2019, 2018, and 2017 within the applicable statute of limitation.

Note 2: ASC 606 REVENUE RECOGNITION

1. Revenue

A. Significant accounting policy

Revenue is measured based on a consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer. Taxes and regulatory fees assessed on transactions, by a government authority that are both imposed on and concurrent with a specified revenue-producing transaction, and collected by the Company from a customer, are excluded from revenue.

B. Nature of services

The reportable segments of revenue generated by the Company are described below.

Commissions: This includes performance obligations related to transactions that is subject to SEA Rule 10b-10 for any remuneration that would need to be disclosed. It also includes any transaction when the Company is engaged as an agent. It does not include net gains or losses from transactions made by the Company when acting as a principal, or riskless principal. Securities transactions, including proprietary investment transactions, and the related commissions revenues and expenses, are recorded on a trade date basis.

Revenue from sale of Investment Company Shares: This consists primarily of the sale of mutual fund products and 12b-1 fees related to the management of these assets. Revenue earned from the sale of these products is recognized upon satisfaction of performance obligations, which occurs on the settlement date. 12b-1 fees are recognized periodically based on average assets under management.

Revenue from sale of Insurance Based Products: This includes revenue from the sale of variable contracts of insurance-based products, in the form of commissions and trail commissions. The revenue earned from the sale of these products is recognized upon satisfaction of performance obligations, which occurs on the trade date. The Company also earns revenue from the management of variable annuity assets, which is recognized monthly, as earned, based on the average assets.

Revenue from Underwriting and Selling Group participation: This includes revenue from underwritings and selling group participation in any capacity. The Company recognizes revenue on the trade date, which is when the Company has satisfied its performance obligation with respect to the sale.

BD4RIA, INC.

Notes to Financial Statements
September 30, 2020

C. Contract Balances and transaction price allocated to remaining performance obligations

Due to the nature of the Company's business, changes in receivables, contract assets and contract liabilities with customers due to revenue recognized from performance obligations satisfied in previous periods were immaterial.

Note 3: NET CAPITAL REQUIREMENT

The Company is subject to the uniform net capital rule (Rule 15c3-1) of the Securities and Exchange Commission, which requires both the maintenance of minimum net capital and the maintenance of a maximum ratio of aggregate indebtedness to net capital. Net capital and aggregate indebtedness change day by day, but at September 30, 2020, the Company's net capital of \$83,210 exceeded the minimum net capital requirement of the minimum net capital requirement of 6 2/3% of aggregate indebtedness (\$10,720) or \$5,000, whichever is greater, by \$72,491, and the Company's ratio of aggregate indebtedness of \$160,795 to net capital was 1.93:1, which is less than the 15:1 maximum ratio requirement.

Note 4: COMMITMENTS AND CONTINGENCIES

The Company is currently leasing an office space in Fort Worth, Texas, on a month to month basis for \$551 per month. The Company is also renting an office space in Hurst, Texas on a prepaid annual basis of \$72,000, effective 1/1/2020. Rent expense for year ended September 30, 2020 was \$63,615. In February 2016, The FASB issued ASU 2016-02 on Leases. Under the new guidance, leases will be required to recognize a lease liability and a right-of-use asset for all leases at the commencement date (with the exception of short-term leases). ASU-2016-02 is effective for annual and interim periods beginning on or after December 15, 2018 and early adoption is permitted.

The company is not subject to this requirement due to the lease being on a month to month basis.

Note 5: SUBSEQUENT EVENTS

The management has reviewed the results of operations for the period of time from its year-end September 30, 2020 through November 16, 2020, the date the financial statements were available to be issued, and has determined that no adjustments were necessary to the amounts reported in the financial statements, nor have any subsequent events occurred, the nature of which would require disclosure.

**REPORT OF INDEPENDENT REGISTERED PUBLIC
ACCOUNTING FIRM**

Board of Directors
BD4RIA, Inc.
Fort Worth, Texas

I have reviewed management's statements, included in the accompanying Exemption Report in which (1) BD4RIA, Inc., identified the following provisions of 17 C.F.R. §15c3-3(k) under which BD4RIA, Inc. claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (the "exemption provision") and (2) BD4RIA, Inc., stated that BD4RIA, Inc., met the identified exemption provision throughout the most recent fiscal year without exception BD4RIA, Inc.'s management is responsible for compliance with the exemption provision and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about BD4RIA, Inc.'s compliance with the exemption provision. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Board of Directors
BD4RIA, Inc.
Fort Worth, Texas

In accordance with Rule 17a-5 (e)(4) under the Securities Exchange Act of 1934, I have performed the procedures enumerated below with respect to the accompanying Schedule of Assessment and Payments [General Assessment Reconciliation (Form SIPC-7)] to the Securities Investor Protection Corporation (SIPC) for the Year Ended September 30, 2020, which were agreed to by BD4RIA, Inc and the Securities and Exchange Commission, Financial Industry Regulatory Authority, Inc., and SIPC, solely to assist you and the other specified parties in evaluating BD4RIA, Inc's compliance with the applicable instructions of the General Assessment Reconciliation (Form SIPC-7). BD4RIA, Inc's management is responsible for the BD4RIA, Inc's compliance with those requirements. This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The procedures I performed and my findings are as follows:

1. Compared the listed assessment payment in Form SIPC-7 with respective cash disbursement records entries from the cash disbursements journal and related bank statements and reconciliations, noting no differences;
2. Compared the amounts reported on the audited Form X-17a-5 for the year ended September 30, 2020, as applicable with the amounts reported in Form SIPC-7 for the year ended September 30, 2020 noting no differences;
3. Compared any adjustments reported in Form SIPC-7 with supporting schedules and working papers, such as clearing firm's records supporting securities revenues, noting no differences;
4. Proved the arithmetical accuracy of the calculations reflected in Form SIPC-7 and in the related schedules and working papers, such as revenues from third party support and bank records supporting the adjustments, noting no differences.
5. Compared the amount of any overpayment applied to the current assessment with the Form SIPC-7 on which it was originally computed, noting no differences.

I was not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on compliance. Accordingly, I do not express such an opinion. Had I performed additional procedures other matters might have come to my attention that would have been reported to you.

This report is intended solely for the information and use of the specified parties listed above and is not intended to be and should not be used by anyone other than these specified parties.
